

Dear Parent/Guardian

We are sending home this Jefferson County Public Library card application with your child so they may gain access to many free educational resources. Please fill out and return it with your child to their school. Jeffco Public Librarians will then make a card for your child and send it home. **The library card is completely FREE**, and because the library does not charge late fees, you will never pay for anything unless materials on your child's card are damaged or lost. This card will give them access to resources on our website including:

Scholastic GO – Access online encyclopedias, videos, timelines and more.

In Context Collection – Find magazine articles, videos, books and more on current topics in History, Science, and Current Events.

World Book Online – Updated and reliable content for research.

Please return this application to school with your child.
